Dear President,

Thank you for your letter of 21 January which was sent to our previous President, Mr John Fahey.

I am replying on behalf of our current President, Sir Craig Reedie, to acknowledge receipt of your letter and to inform you that the issues you raise are presently the subject of an Investigatory Commission established by WADA. That Commission has commenced its work and when it has completed it, will be able to report on the matters that you raise.

There are other issues in your note which are the province of the IAAF and the IOC, and I am sure you will receive a response from them accordingly.

Kind regards,

David Howman
Director General
